CONSULTATION QUESTIONS

OVERALL COMMUNITY DEVELOPMENT AND HOUSING NEEDS

Based on your observations and first-hand knowledge, what are the most pressing housing and community development needs in the city of Los Angeles? (Please be as specific as possible, considering affordable housing, public facilities and neighborhood improvement needs as well as geographic locations where needs are prevalent.)

What have been the City's successes in meeting these needs? What approaches work?

What does the City need to do better or differently to address these needs?

TRANSIT ORIENTED DEVELOPMENT

What should we take into consideration when implementing Transit Oriented Development (TOD) in Los Angeles? What do you see are some of the challenges we will face?

Who should be “at the table” to help define policies and develop strategies to employ TOD in LA?

HOMELESSNESS

Within your area of the City, what are the regions with the greatest need for homeless services?

What are the types of services that have been the most successful in addressing homelessness? Why?
